Questions for discussion with President Dudley:

Your experience and that of your customers and suppliers can give us insight into current economic conditions.

1. Has your firm experienced an increase in demand in recent months?
2. Has demand for your product or service increased sufficiently that you increased or plan to increase employment in 2013 or 2014?
3. Has demand for your product or service increased sufficiently that you plan to increase investment in plant and equipment in 2013 or 2014?
4. Has your access to credit changed in 2013?
5. Is fiscal restraint affecting demand for your products or services – is there an impact from changes due to healthcare legislation/costs, sequestration of Federal spending, payroll taxes, or other official sector spending or taxation?
