A Bank for Banks

Name some of the banks you see in your neighborhood or other neighborhoods.

What do people typically do at a bank?

A Bank for Banks

Customers go to their bank to make a deposit, a withdrawal, or get a loan.

When a commercial bank (or a bank that people and businesses use) in your neighborhood needs to make a withdrawal, deposit, or get a loan, it can use a central bank.

In the United States, the Federal Reserve System is the central bank.
