

SHOREBANK

ShoreBank is the country's oldest and largest community development bank. Serving Chicago's South, Mid-South and West Side neighborhoods, ShoreBank provides:

- A broad range of innovative personal financial tools, including specialized programs for low-income individuals and families.
- Loans and cash management services for small- and mid-size businesses, particularly companies that create jobs in our priority communities.
- Loans to ensure the availability of high-quality, affordable housing, with a special emphasis on renovating multi-family residential buildings.
- Specialized loans and deposit accounts to support the community services of churches and not-for-profits throughout Chicago.
