## FR 2572 Historic Reporting Changes

Reflects changes made since 2008

Date

Description

---

January 2009

FR 2572

- The Contact information was moved from the bottom of page3 to the top of page1, to be consistent with other Federal Reserve reporting forms.
- The line captions for the contact name, title, and phone number were clarified in response to frequent questions from respondents.
- A new line was added for the contact's e-mail address.
- Item 62 was modified to request a toll-free number to be consistent with the current instructions.
- The instructions for columns A (Annual percentage rate) and N (Variable rate margins) were clarified by adding examples to address situations when ranges of rates and margins exist.
- The instructions for item 56 through 58 were clarified by adding an example to address situations when no minimum fee exists.
