(4) the amount, if any, by which (xx) the amounts payable pursuant to clauses (b)(1) through (5) of the PMCCF Priority of Payments (the "PMCCF Senior Amounts") exceed (yy) the sum of (A) PMCCF Available Amounts plus (B) any portion of the SMCCF Available Amounts made available to the PMCCF Priority of Payments under clause (c)(6) of the SMCCF Priority of Payments (such excess of (xx) over (yy) a "PMCCF Senior Shortfall Amount");

(5) the amount, if any, by which (xx) the amounts payable pursuant to clauses (c)(1) through (5) of the SMCCF Priority of Payments (the "SMCCF Senior Amounts") exceed (yy) the sum of (A) SMCCF Available Amounts plus (B) any portion of the PMCCF Available Amounts made available to the SMCCF

Priority of Payments under clause (b)(6) of the PMCCF Priority of Payments (such excess of (xx) over (yy) an “SMCCF Senior Shortfall Amount”);

(6) for the Primary Market Facility, an amount equal to the lesser of (X) all available PMCCF Interest Proceeds less the amounts required to be applied under clauses (b)(1)-(8) of the PMCCF Priority of Payments below and (Y) the amount of accrued interest that would be required to be paid to the Lender to prepay a principal amount of outstanding Loans under the Primary Market Facility for the relevant Settlement Date in the manner set forth in clause (b)(9) of the PMCCF Priority of Payments (the “PMCCF Available Interest Proceeds Component”);

(7) for the Secondary Market Facility, an amount equal to the lesser of (X) all available SMCCF Interest Proceeds less the amounts required to be applied under clauses (c)(1)-(8) of the SMCCF Priority of Payments below on such Settlement Date and (Y) the amount of accrued interest that would be required to be paid to the Lender to prepay a principal amount of Loans outstanding under the Secondary Market Facility (or on and after the Joint Waterfall Date, under either the Secondary Market Facility or Primary Market Facility) equal to the SMCCF Principal Proceeds for the relevant Settlement Date in the manner set forth in clause (c)(9) of the SMCCF Priority of Payments (the “SMCCF Available Interest Proceeds Component”); and

(8) if the PMCCF Available Interest Proceeds Component or SMCCF Available Interest Proceeds Component is not sufficient to allow prepayment with accrued interest of a principal amount of Primary Market Facility Loans or Secondary Market Facility Loans, as applicable, equal to the full amount of PMCCF Principal Proceeds or SMCCF Principal Proceeds, as applicable, for the relevant Facility, the Administrator will determine in consultation with the Managing Member the maximum principal amount of such Primary Market Facility Loans or Secondary Market Facility Loans that may be repaid with accrued interest on a “first-in, first-out” basis, from the total available amount of PMCCF Principal Proceeds or SMCCF Principal Proceeds, as applicable, and the relevant PMCCF Available Interest Proceeds Component or SMCCF Available Interest Proceeds Component (and for the avoidance of doubt the total cash amount of PMCCF Principal Proceeds or SMCCF Principal Proceeds, as applicable, shall be applied in all cases to pay or prepay Primary Market Facility Loans or Secondary Market Facility Loans, as applicable, with accrued interest, even if a portion of PMCCF Principal Proceeds or SMCCF Principal Proceeds, as applicable, is required to be allocated to payment of accrued interest).

provided, however, that in the event that making the Preferred Equity Account Payment for any Settlement Date would require the Borrower to make a withdrawal under the Treasury Investment MOU that would exceed the maximum amount that the Borrower is permitted to withdraw for the relevant date under the terms of the Treasury Investment MOU, (i) the Preferred Equity Account Payment for the relevant Settlement Date will be limited to such amount as would not require the Borrower to exceed the relevant maximum withdrawal amount (such limited amount the “Adjusted Preferred Equity Account Payment”), (ii) the Adjusted Preferred Equity Account Payment will be allocated, if necessary, pro rata between the PMCCF Priority of Payments and SMCCF Priority of Payments based on the PMCCF Senior Shortfall Amount and SMCCF Senior Shortfall Amount and (iii) the payments that would have been required to be made on the relevant Settlement Date under Section 2.8(b) and (c) below from amounts in excess of the allocated portion of the Adjusted Preferred Equity Account Payment will instead be made on an additional Settlement Date (an “Extended Settlement Date”) which will occur solely for the purpose of making such payments and without the other calculations of Interest Proceeds, Principal Proceeds or Realized Losses applicable for other Determination Dates or Settlement Dates hereunder (but subject again to this proviso and any further Extended Settlement Date).

(b) On each Settlement Date, the PMCCF Available Amounts (together with any funds from the Preferred Equity Account in respect of any PMCCF Senior Shortfall Amount and any amounts made available under clause (c)(6) of the SMCCF Priority of Payments (which shall be treated as PMCCF Interest Proceeds for such purpose)) shall be applied in the following order of priority (the “PMCCF Priority of Payments”):

(1) to apply PMCCF Interest Proceeds to pay an amount equal to (X) (A) fees and costs incurred by the Borrower and payable on such Settlement Date that are attributable to both the Primary Market Facility and the Secondary Market Facility, including reimbursable fees or costs of the Administrator, the Custodian, the Managers and the Lender, times (B) a fraction equal to (I) the aggregate outstanding amount of all Loans under the Primary Market Facility divided by (II) the aggregate outstanding amount of all Loans under both the Primary Market Facility and the Secondary Market Facility plus (Y) fees and costs incurred by the Borrower and payable on such Settlement Date, including reimbursable fees or costs of the Administrator, the Custodian, the Managers and the Lender that are attributable to only the Primary Market Facility (“PMCCF Senior Expense Amounts”);

(2) to apply PMCCF Interest Proceeds to credit to the PMCCF Cash Reinvestment Sub-Account an amount equal to the PMCCF Reserve Amount for such Settlement Date;

(3) to apply PMCCF Interest Proceeds to pay each outstanding Operating Loan under the Primary Market Facility that is a Maturity Loan (together with accrued interest on the amount prepaid, as calculated by the Lender), on a “first in, first out” basis depending on the borrowing date for such Operating Loan;

(4) to apply PMCCF Interest Proceeds to pay or prepay an outstanding principal amount of Loans (applying first to Matured Loans that will not otherwise be repaid from the PMCCF Principal Proceeds on such date pursuant to clause (9) below and otherwise on a “first in, first out” basis) under the Primary Market Facility in an amount equal to the Realized Losses determined in respect of Eligible Assets held in the PMCCF Investment Sub-Account for the prior Settlement Period plus accrued interest on such Loans;

(5) to apply PMCCF Interest Proceeds to repay any outstanding Matured Loan that will not otherwise be repaid from the PMCCF Principal Proceeds on such date pursuant to clause (9) below and are not repaid under clause (4) above (together with accrued interest on the amount prepaid, as calculated by the Lender), on a “first in, first out” basis depending on the borrowing date for such Matured Loan;

(6) to apply PMCCF Interest Proceeds under the SMCCF Priority of Payments to any unpaid SMCCF Senior Amounts outstanding after application of SMCCF Interest Proceeds;

(7) to apply PMCCF Interest Proceeds to be credited to the SMCCF Cash Reinvestment Sub-Account to the extent of any previously unreimbursed amounts of SMCCF Interest Proceeds that were applied to unpaid PMCCF Senior Amounts outstanding after application of PMCCF Available Funds on any prior date pursuant to clause (c)(6) of the SMCCF Priority of Payments;

(8) to the Preferred Equity Account, an amount equal to any previously unreimbursed drawing from the Preferred Equity Account that was applied to satisfy a PMCCF Senior Shortfall Amount on any prior Settlement Date;

(9) in an amount equal to the sum of (i) all PMCCF Principal Proceeds plus (ii) the PMCCF Available Interest Proceeds Component to pay or prepay each outstanding Loan other than an Operating Loan (together with accrued interest on the amount prepaid, as calculated by the Lender), on a “first in, first out” basis depending on the borrowing date for such Loan (and for the avoidance of doubt the total cash amount of PMCCF Principal Proceeds shall be applied in all cases to pay or prepay outstanding Loans, with accrued interest, even if a portion of such PMCCF Principal Proceeds is required to be allocated to payment of accrued interest);

The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

8.4 Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Loan Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans hereunder.

8.5 Payment of Expenses, etc. The Borrower agrees (a) to pay or reimburse the Lender for all of the Lender's reasonable out-of-pocket costs and expenses incurred in connection with the development, preparation and execution of, and any amendment, supplement or modification to, this Agreement and the other Operative Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees and disbursements

of counsel to the Lender and filing and recording fees and expenses, (b) to pay or reimburse the Lender for all costs and expenses incurred by the Lender in connection with the enforcement or preservation of any rights under this Agreement, the other Operative Documents and any such other documents, including the fees and disbursements of counsel to the Lender, (c) to pay, indemnify, and hold the Lender and its Related Parties harmless from, any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay in paying, stamp, excise and other taxes (other than those of the nature of an income tax), if any, that may be payable or determined to be payable in connection with the execution and delivery of, or consummation or administration of any of the transactions contemplated by, or any amendment, supplement and modification of, or any waiver or consent under or in respect of, this Agreement, the other Operative Documents and any such other documents and (d) to pay, indemnify, and hold the Lender and its Related Parties (each, an “Indemnitee”) harmless and defend them from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including, subject to the second succeeding proviso, the reasonable fees and disbursements of legal counsel) or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement, the other Operative Documents and any such other documents, including any of the foregoing relating to the use of proceeds of the Loans (all the foregoing in this clause (d), collectively, the “Indemnified Liabilities”); provided that the Borrower shall have no obligation hereunder to any Indemnitee with respect to Indemnified Liabilities to the extent such Indemnified Liabilities are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee; provided, further, that the Borrower shall not be obligated to pay, indemnify or hold harmless any Indemnitee if such Indemnitee (1) does not provide reasonably prompt notice to the Borrower of any claim for which indemnification is sought; provided that the failure to provide notice shall only limit the indemnification provided hereby to the extent of any incremental expense or actual prejudice as a result of such failure or (2) makes any admissions of liability or incurs any significant expenses after receiving actual written notice of the claim, or agrees to any settlement without the written consent of the Borrower, which consent shall not be unreasonably withheld. The Borrower may, in its sole discretion, and at its expense, control the defense of the claim including, without limitation, designating counsel for the Indemnitees (which counsel shall be reasonably satisfactory to the Indemnitees) controlling all negotiations, litigation, arbitration, settlements, compromises and appeals of any claim; provided that (x) the Borrower may not agree to any settlement involving any Indemnitee that contains any element other than the payment of money and complete indemnification of the Indemnitee without the prior written consent of the affected Indemnitee and (y) the Borrower shall engage and pay the reasonable expenses of separate counsel for the Indemnitee to the extent that the interests of the Indemnitee are in conflict with those of the Borrower. The Borrower shall be responsible to pay the reasonable fees of such separate legal counsel if such a conflict exists. The agreements in this Section 8.5 shall survive repayment of the Loans and all other amounts payable hereunder.

8.6 Successors and Assigns; Participations and Assignments. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (a) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void), (b) the Lender may not assign or otherwise transfer (including through

participations) its rights or obligations hereunder without the prior written consent of the Borrower (such consent not to be unreasonably withheld) except to another Federal Reserve Bank and (c) the Lender may not assign or otherwise transfer (including through participations) all or any portion of its rights or obligations in any Loan unless it simultaneously assigns or transfers to the same assignee or transferee the same percentage of its portion of such Loan it is assigning or transferring in (i) all of its other portions of such Loans and (ii) its Membership Interest.

8.7 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement by email or facsimile transmission shall be effective as delivery of a manually executed counterpart hereof. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Lender.

8.8 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8.9 Integration. This Agreement and the other Operative Documents represent the entire agreement of the Borrower and the Lender with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by the Lender relative to the subject matter hereof not expressly set forth or referred to herein or in the other Operative Documents.

8.10 **GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.**

8.11 Submission To Jurisdiction; Waivers. The Borrower hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the courts of the United States for the Southern District of New York, and appellate courts thereof;

(b) consents that any such action or proceeding may be brought only in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially

similar form of mail), postage prepaid, to the Borrower at its address set forth in Section 8.2 or at such other address of which the Lender shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law;

(e) agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in another jurisdiction by suit on the judgment or in any other matter provided by law; and

(f) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding any special, indirect, exemplary, punitive or consequential damages of any kind whatsoever (including for lost profits).

8.12 Acknowledgements. The Borrower hereby acknowledges that:

(a) the Lender has no fiduciary relationship with or duty to the Borrower arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Lender and the Borrower in connection herewith or therewith is solely that of debtor and creditor; and

(b) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby between the Lender and the Borrower.

8.13 WAIVERS OF JURY TRIAL. THE BORROWER AND THE LENDER IRREVOCABLY AND UNCONDITIONALLY WAIVE TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

8.14 [Reserved].

8.15 Investment Company Act. The Lender represents and warrants that it is a “qualified purchaser,” within the meaning of the Investment Company Act of 1940, as amended.

8.16 Recourse. The obligations of the Borrower under this Agreement and all other Operative Documents are full recourse obligations of the Borrower and shall be payable to the extent of the LLC Assets. No recourse shall be had for the payment of any amount owing in respect of any obligation of, or claim against, the Borrower arising out of or based upon this Agreement or any other Operative Document against any holder of a membership interest, employee, officer, representative, agent or other person authorized to act for the Borrower, or any Affiliate thereof, or any employee, representative, agent or Affiliate of any holder of a membership interest in the Borrower; provided that the foregoing shall not relieve any such person or entity from any liability it might otherwise have as a result of willful misconduct, gross negligence, bad faith or fraudulent actions taken or omissions by it. The provisions of this Section 8.16 shall survive the termination of this Agreement.

8.17 No Petition. The Lender hereby covenants and agrees that it will not prior to the date that is one year (or, if longer, the applicable preference period then in effect) plus one day after the first day on which all of the Obligations have been paid in full (a) commence or institute against the Borrower or join with or facilitate any other Person in commencing or instituting against the Borrower, any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution, receivership, insolvency or liquidation proceedings, or other proceedings under any United States Federal or state, or other jurisdiction, bankruptcy or similar law or statute now or hereafter in effect in connection with any obligations relating to this Agreement or any of the other Operative Documents or (b) participate in any assignment for benefit of creditors, compositions, or arrangements with respect to the Borrower's debts. The agreements in this Section 8.17 shall survive the termination of the Agreement and the other Obligations and shall also survive the termination of the Loan Documents.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their proper and duly authorized officers as of the day and year first above written.
